

Zoom is a free way to connect with people on the internet when you can't meet with them in person.

You can call, video chat or send a message to a person or a group of people. On **Zoom** video chats are called a **Meeting**.

Zoom can be used on a smart phone, tablet, laptop or a computer.

Some people might need help to set up **Zoom**. This could be a family member, carer or someone you trust.

Here is a YouTube video link to help you install **Zoom**:
